WORKSHOP

URBAN PLANNING

Exploring the *evolution* of the first planned city of India

walled city of
Jaipur

To understand and assess a city, it is foremost important to understand its history, culture and its growth over a period of time. Every city has a reason to be, and that's what decides its death and life. The aim of this workshop is to **synthesize the historic foundation and evolution of the city of Jaipur over the last 300 years.**

Experience the fusion of architectural styles, the transformation of residential and street patterns, and know the colors beneath the Pink City.
